

Cantueso Apartment

A large self-contained, two bedroom apartment situated above the Cantueso restaurant and overlooking the whole complex. It was previously the owner's accommodation and has a private separate access and the benefit of the most wonderful views over the Viñuela valley. In view of the staircase it would not be suitable for wheelchair access.

It has a spacious sitting room, kitchen/dining area leading onto a large balcony. There are two bedrooms one with a double bed and the other with two single beds.

Rustic Charm: The sitting room is built in rustic Andalusian style with wooden beams and has a wood burning stove for cosy winter evenings, comfortable settees, and Sky free to air TV and radio programmes (all in English), as well as a DVD player. (DVD loan library available).

Large Kitchen: The fully equipped kitchen has a gas cooker with oven, refrigerator, microwave, toaster and all the usual utensils, crockery and glassware.

The spacious bathroom has a basin, wc and shower.

Near all amenities: All other facilities of the Cantueso complex are available just a few meters away including the restaurant, a 12X6 meter fenced swimming pool, games room with table tennis, darts, mountain bikes (to hire) table football, swings, slide and ball games area.

The valley and garden views from the apartment can be seen on our live webcam as the camera is situated outside the sitting room window.
